THE ART OF KINTSUGI

P E R F E C T L Y C A R V E D I N T I L E S

The DG Carving collection is a testament to the fusion of ancient craftsmanship and contemporary design. The delicate interplay of light on the surface of these tiles creates an ever-changing visual experience, enchanting viewers with its luminous charm. By incorporating the principles of Kintsugi, our collection emphasizes the beauty of resilience and the allure of transformation, making each tile not just a piece of decor, but a story of beauty and strength.

Drawing inspiration from the venerable Japanese art of Kintsugi, we proudly present the Carving collection. This exquisite range of tiles captures the essence of Kintsugi's philosophy, where the beauty of imperfection is embraced and celebrated.

The Carvex Series is crafted for those who appreciate detail beyond the surface. Featuring advanced DG carving technology, each tile showcases precision-cut textures that create a rich sense of depth and dimension. The sculpted patterns interact beautifully with light, adding a bold yet elegant character to any space.

With its striking textures and contemporary design language, the Carvex Series transforms walls and floors into statement surfaces. It is not just a tile collection—it is a celebration of modern design, depth, and sophistication, created to elevate spaces with timeless style.

Designed to blend artistry with durability, the DG carving surface enhances both visual appeal and tactile experience. Every tile in the Carvex Series reflects meticulous craftsmanship, delivering sharp detailing, consistent finishing, and long-lasting performance suitable for premium residential and commercial interiors.

NEW WAY OF CARVING

The Carvex Series is a premium collection designed to bring bold expression and refined elegance into modern spaces. Crafted with advanced DG Carving technology, each tile features precisely sculpted patterns that create striking depth and a rich visual impact. The detailed carving enhances light and shadow, giving surfaces a luxurious, architectural presence.

Offered in a grand 1200 × 1800 mm size, the Carvex Series delivers a seamless and expansive look with minimal joints. This large format enhances spatial continuity, making interiors appear more open and sophisticated. The generous size combined with the carved detailing makes every installation a powerful design statement.

Built with a robust 9 MM thickness, these tiles ensure strength, stability, and long-lasting performance. The DG Carving Finish not only elevates aesthetics but also adds a tactile dimension, balancing beauty with durability. The Carvex Series is ideal for premium walls and floors where design, scale, and quality matter most.

TECHNICAL PLUS FACTOR

Low Water Absorption

Designed with a low water absorption rate, our tiles are perfect for areas exposed to moisture, such as bathrooms, kitchens, and outdoor spaces.

Anti-Slip Surface

Safety and functionality are seamlessly integrated into our slip-resistant tiles. These tiles are designed to provide a secure grip underfoot, reducing the risk of slips and falls.

Wear & Tear Resistant

Our tiles are engineered to withstand the rigors of daily use, offering exceptional resistance to wear and tear. Whether subjected to heavy foot traffic or the movement of furniture.

Thermal & Heat Resistant

Our tiles exhibit excellent thermal and heat-resistant properties, making them suitable for a variety of environments. They can withstand high temperatures.

Fire Proof Surface

Safety is paramount, and our tiles deliver with their fireproof surface. These tiles are designed to resist high temperatures and prevent the spread of flames.

Stain Resistant

Our tiles boast exceptional stain-resistant properties, ensuring they remain pristine and beautiful even in the face of everyday spills and accidents.
