TRAVERTINE

COLLECTION

ENRICHED WITH
NATURE'S HARMONY

SAILING THROUGH
THE WAVE OF
NATURAL STONE.

SHAPED FOR NEXT LEVEL FACADE

The Travertine Facade Tiles bring the timeless charm of natural stone to modern architecture. Inspired by classic Italian travertine, this series adds depth, texture, and a soothing visual rhythm to exterior walls. Every pattern feels organic and elegant.

Durable and weather resistant, these facade tiles stand strong against heat, moisture and environmental wear. They offer easy maintenance and long term performance, making them a smart choice for residential and commercial spaces.

The collection presents multiple shades ranging from soft beige and warm cream to richer tan and earthy brown. This shade variation allows designers to create balanced facades that feel both luxurious and welcoming. The surface textures enhance light play and shadow detail, elevating the building profile.

TRAVERTINE **IRIS**

A soft beige travertine tile featuring natural pores and subtle stone veins, offering an elegant warm tone with gentle texture that suits facades, interiors, and refined architectural spaces, beautiful designs.

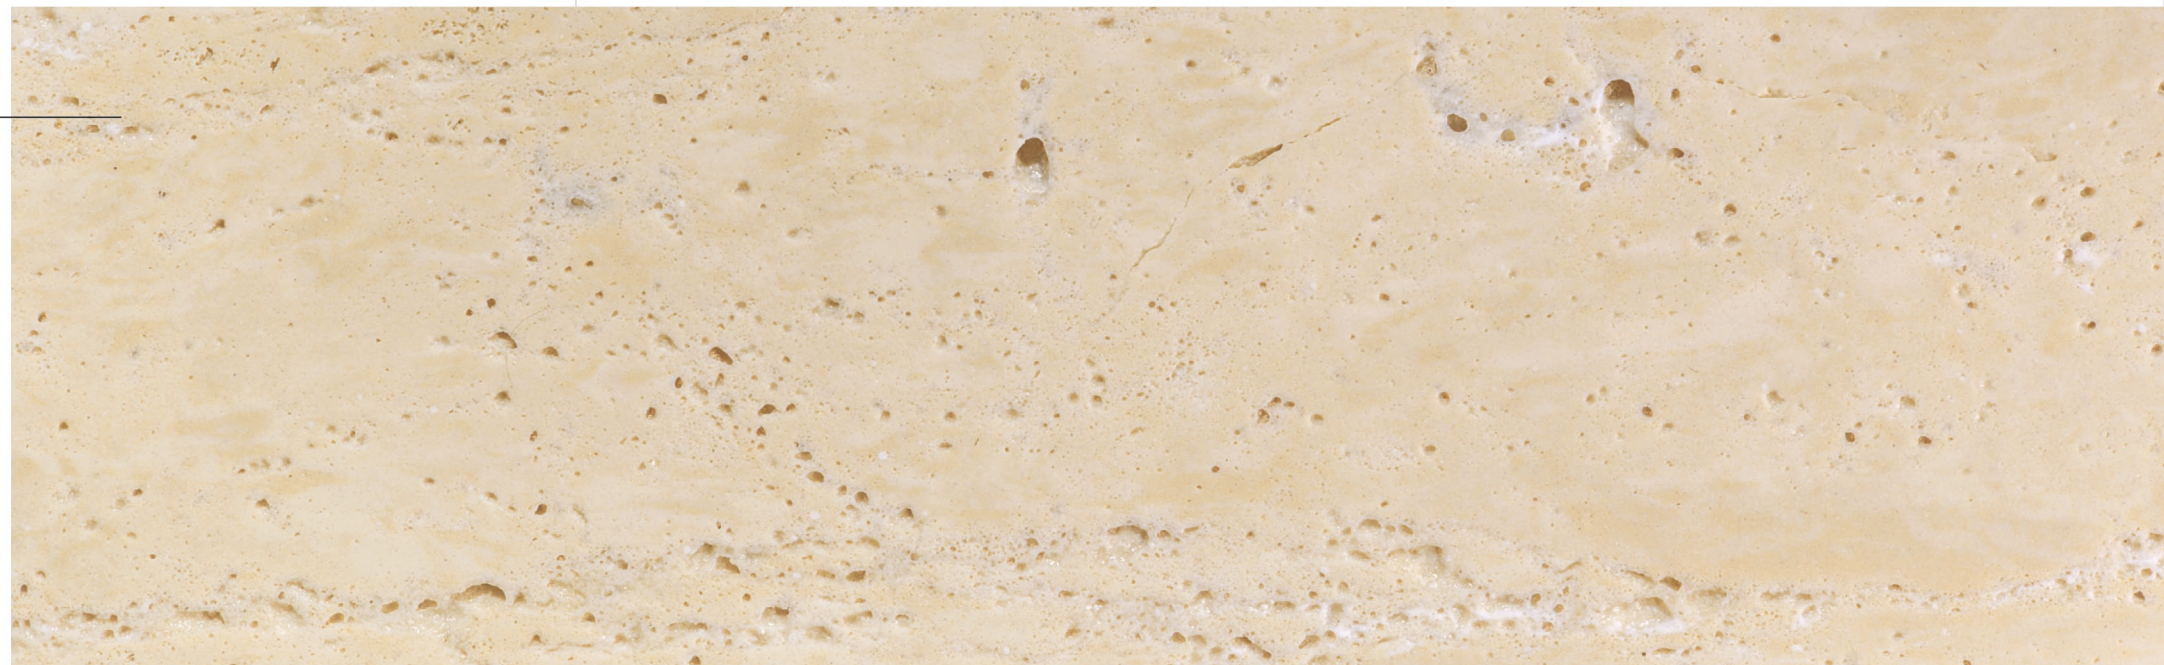

TRAVERTINE **PEARL**

A light creamy travertine tile with soft pores and gentle mineral patches, offering a bright natural look that enhances facades and interiors with serene elegance, subtle texture, and timeless architectural appeal.

TRAVERTINE **TUSCAN**

A warm sandy travertine tile with soft beige tones, gentle pores, and subtle flowing veins, offering a natural Tuscan stone character ideal for rustic facades, serene interiors, and timeless architecture.

CERAFILO
— O V E R S E A S —

The surface carries gentle pores and subtle stone movement, giving every facade a warm organic feel that connects architecture with nature beautifully.

UV stable shades retain their richness for years, resisting harsh sunlight and weather conditions while keeping exterior spaces visually fresh and premium.

Its refined texture adds depth and interest, reduces visible dust marks, and enhances shadow play, creating a sophisticated and timeless exterior appearance.
