refined carving.

Designed to make a powerful visual statement, our 1200x1800 mm carving finish tiles redefine luxury surfaces. The expansive format enhances spatial continuity, while precision carving adds depth, texture, and artistic character. Each tile reflects meticulous craftsmanship, creating a play of light and shadow that elevates walls and floors alike. Ideal for premium residential and commercial spaces, this carving finish blends monumental size with elegant detailing—delivering a surface that feels immersive, iconic, and timeless.

A man with short dark hair, wearing a light-colored trench coat over a white t-shirt and light-colored trousers, stands on a floor with a marble pattern. He is looking down at his hands, which are slightly raised. A large, thin black circle is drawn around him and the text to his left.

Finish**

The carving finish is engineered to offer more than visual appeal—it delivers a tactile experience that transforms interiors into expressive spaces. Intricate surface detailing brings a sculptural quality to the tile, allowing patterns to emerge subtly yet impactfully. When paired with the large 1200x1800 mm format, the result is a seamless, uninterrupted canvas that amplifies luxury and architectural depth.

Perfect for feature walls, grand living areas, and statement commercial interiors, these tiles balance durability with design sophistication. Their refined surface ensures long-lasting beauty with minimal maintenance, making them as practical as they are premium. With carving finish tiles in this majestic size, every space speaks a language of scale, craftsmanship, and contemporary elegance.

TECHNICAL PLUS FACTOR

Low Water Absorption

Designed with a low water absorption rate, our tiles are perfect for areas exposed to moisture, such as bathrooms, kitchens, and outdoor spaces.

Anti-Slip Surface

Safety and functionality are seamlessly integrated into our slip-resistant tiles. These tiles are designed to provide a secure grip underfoot, reducing the risk of slips and falls.

Wear & Tear Resistant

Our tiles are engineered to withstand the rigors of daily use, offering exceptional resistance to wear and tear. Whether subjected to heavy foot traffic or the movement of furniture.

Thermal & Heat Resistant

Our tiles exhibit excellent thermal and heat-resistant properties, making them suitable for a variety of environments. They can withstand high temperatures.

Fire Proof Surface

Safety is paramount, and our tiles deliver with their fireproof surface. These tiles are designed to resist high temperatures and prevent the spread of flames.

Stain Resistant

Our tiles boast exceptional stain-resistant properties, ensuring they remain pristine and beautiful even in the face of everyday spills and accidents.
